About the Panel Meeting:

All panelists review and score applications using an established rubric in advance of the public panel review meeting, but the public deliberations provide an opportunity for panelists to hear each other's perspectives, and for applicants to hear specific, valuable feedback on their proposals. Next Steps

The grant panel’s funding recommendations are subject to final review and approval by the Montgomery County Arts & Cultural District board. In July, applicants will receive notification of their final funding status by email. Culture Works staff will then schedule a meeting with each organization selected for funding to review and complete a grant contract. Organizations should review the full [Special Projects Grant program guidelines](#) for more information about the funding process.
