Next Steps

Applicants will be notified of the final rankings and funding recommendations by email within 7 days on Thursday, June 27th.

The grant panel's funding recommendations are subject to final review and approval by the Montgomery County Arts & Cultural District board. In July, applicants will receive notification of their final funding status by email. Culture Works staff will then schedule a meeting with each organization selected for funding to review and complete a grant contract. Organizations should review the full [Special Projects Grant program guidelines](#) for more information about the funding process.
