

Culture Works Passport to the Arts Promotion Enrollment

Contact: Culture Works Director of Engagement, Curtis Bowman
cbowman@cultureworks.org or 937-222-2787 ext 102

What is

a Passport?

A Passport is a benefit to arts donors who give \$85 or more to Culture Works. The Passport offers exclusive discounts, including Buy-One Get-One FREE tickets to designated performances of participating arts organizations, as well as museum admission, restaurant, and retail discounts. This promotion encourages donors to give at a set level of support for the arts, to purchase tickets to new programs, to attend new events, to try new restaurants and visit new retailers. Passport membership must be renewed annually.

What will it cost to participate?

You decide how to participate. Your cost is the offer you extend to the card holder. You decide what that offer is: Buy One Get One Offer? Free dessert with entree? Happy Hour anytime? Browse our website to see what others are offering.

What is the benefit of participating?

If you browsed existing offers, you've seen that Passport Partners are promoted through the Culture Works website. We also promote our partners in printed publications, on our social media, and via our 26 bi-weekly "e-blast" bulletins that remind and update our constituents about upcoming and Passport-eligible discounts. Your participation promotes your business, and encourages donations to the arts, which build a more vibrant community, which helps your business thrive. It's a win win win!
