Additional Notes

Artist Opportunity Grant panelists will have time to consider their fellow panelists' comments during the public panel and to review their own comments and scores in a new light. Panelists may choose to update their comments and reassess their scores based on the panel's public discussion points before meeting within the next week to decide on funding recommendations.

Applicants will receive notification of the status of their application by email by Friday, Nov. 13. Please remember that the panel's recommendations must be approved by MCACD before scheduling the required onboarding session with Culture Works Director of Grantmaking & Impact.

Optional Zoom Feedback Review Sessions with the Director of Grantmaking and Impact are available for those who do not receive awards. Please take Culture Works up on this offer. We want to offer support as you prepare for next steps.

All applicants receive a PDF (copy & paste) of written feedback that panelists provide on the application.
